

**Government of Israel Economic Office
Houston, Texas**

haynesboone
Setting precedent.

Did you know that Israel is the per capita leader in medical device patents, ranks fourth in the world in biotechnology patents granted per capita, and has over 700 life sciences companies employing approximately 30,000 workers. The Government of Israel Economic Office in Houston, Haynes and Boone LLP, and the Health Industry Council cordially invite you to attend *Israel – A Pioneer in the Life Science Industry*, taking place from 6:30-8:30pm on Monday, January 29th at the offices of Haynes and Boone LLP located at 901 Main Street, Suite 3100, Dallas. There is no registration fee for this event.

Featuring

**Mr. David Furst, Life Science Director, Israel Export and International Cooperation Institute
Dr. Ron Ginor, President, Becker Venture Services Group and Medical Director, Becker & Associates**

Agenda
